Did It An Overland

Miss Blanche Stuart Scott has just finished a cross country tour from New York to San Francisco, having driven without masculine aid a model No. 38 Overland Car the whole distance over deserts and mountains, her only companion being a lady friend, thus demonstrating to the world that the Overland is the most wonderful combination of mechanism and comfort in the whole country: simplest and easiest to operate and adjust. Imagine yourself in bed. What have you got on? Very well; put it down. together with a change. You get up. What do you do? Wash yourself. What do you wash yourself with? Soap. Put down soap. Go on till you have finished. Then take your clothes. Begin at your feet. What do you wear on your feet? Boots, shoes, socks. Put them down. Work up till you get to your head. What do you want besides clothes? Put down everything.

This is the plan the old gentleman always pursued. The list made, he would go over it carefully to see that he had forgotten nothing. Then he would go over it again and strike out everything it was possible to dispense with. Then he would lose the list.

Chicago the Danger Line.

"If you order them in Boston they are practically all fish. Yes, sir-solid, bona fide fish. Move west a bit-to Albany, say. What happens? The amount of fish in each fishball has dwindled. He leaned forward. "I've never dared travel farther west than Chicago!" he whispered hoarsely. -Chicago Tribune.

Golf In the Old Days. Centuries back golf was a pastime of the royal family, though then usually played in Scotland. The Stuart family was very fond of the game, and the first English club was established at Blackheath in 1608 by James I. His eldest son, Henry, frequently played and on one occasion nearly struck by accident his tutor with a club, whereupon he coolly remarked, "Had I done so I had but paid my debts." Charles I. was playing golf when he received the news of the Irish rebellion. James, duke of York, Va. August 31-September 1.

Pale-Faced Women

You ladies, who have pale faces, sallow complexions, dark circles under eyes, drawn features and tired, worn-

out expressions, you need a tonic. The tonic you need is Cardui, the woman's tonic.

It is the best tonic for women, because its ingredients are specifically adapted for women's needs. They act on the womanly organs and help to give needed strength and

vitality to the worn-out womanly frame.

Cardui is a vegetable medicine. It contains no minerals, no iron, no potassium, no lime, no glycerin, no dangerous, or habit-forming drugs of any kind.

It is perfectly harmless and safe, for young and old to use.

The Woman's Tonic "After my doctor had done all he said he could for me," writes Mrs. Wm. Hilliard, of Mountainburg, Ark., "I took Cardui, on the advice of a friend, and it helped me so much.
"Before taking Cardui, I had suffered from female troubles for five years, but since taking it, I am in good health. "I think there is some of the best advice in your book
